

Don Robertson

Dear Don,

I really can't  
think of much to  
say except that  
I've really enjoyed  
your friendship, and  
I know that we'll  
have lots more fun  
together in the future.  
Madeline

P.S.

I'm still thinking about  
your birthday present, but  
I think I know what I'm  
going to get. Now all  
I have to do is get the money.

I think you're great, & I  
hope you get all A's next  
year (even <sup>in</sup> math)!

## Dedication

Eventually every person must walk away from childhood and pass on to maturity and adulthood. On the journey toward this goal, it is necessary to accept the advice and guidance of experienced persons, to obtain the knowledge of various facts, to acquire the ability of working with a team, to receive the power of expression, and to further the expansion and development of individual interests. Along with these significant experiences there are many fond memories connected with this walking away. It is to this journey in life, the walking away, that the 1964 ECHO is dedicated.

Georges Massot

Webster's second foreign exchange teacher, Mr. Georges Massot, came to the United States from Vallon Ardeche in southern France. He and his wife applied at the Commission Franco-Americaine l'Echanges Universitaires in Paris, and the Board of Education in Washington, D. C., found him a position at Webster High and one for his wife at Hixson Junior High.

Mr. Massot, who taught classes in French at Webster, has studied Latin, Greek, and the Romance languages, as well as English. He claims also to know "thirty-five words of Yougoslavian!"

The Massots were special guests at a reception given by the Student Council. At that time they were presented with a new bicycle, a gift from the student body.

"How!"

Mr. Massot, please say that in English.

## Student Council

"Selling stock, Ron?"

The sixty-five members of the Student Council met every other day during the fifth period to discuss and deal with the problems of the students. The council successfully carried out the traditional activities as well as developing new projects.

Various committees, primarily under the direction of senior council members, provided the Magazine Sales Campaign, Hello Day, Twin Twirl dance, orientation of new students, sports presentations, student elections, and assemblies. The success of these events illustrated the efficiency of the group.

Money making projects, such as the selling of stock and the Spaghetti Supper, provided funds to carry on the foreign student program. Each year the foreign student who comes to Webster is automatically a member of the Student Council. Pierfrancesco Pezze, from Italy, participated in the council activities and learned about Webster's school government. The Student Council is a charter member of the Suburban Association of Student Councils, and through this organization, Webster has been able to exchange ideas and policies concerning student government.

"Ha . . . ha, is that funny!"

# Guidance Council

**BACK ROW:** Hawken, Smith, Jones, Mrs. Weirich, White. **FRONT ROW:** Deem, M. Mellor, Mannion, Schweitzer, G. Mellor.

Webster High is one of the few schools in this area which has a judiciary branch of its student government. The students are given the responsibility of disciplining themselves under an Honor System. This system provides for a Student Guidance Council and an Honor Code.

The Council was reorganized this year using the suggestions and ideas brought out in assemblies and student discussions. The membership, powers, and specific rules were set down in a Constitution. It is hoped that these changes and additions will continue to maintain the respect, support, and enthusiasm of the students.

The members of the Council endeavored to explain to violators of the Code, the privileges and advantages of the Honor System. With its penal power the Council seemed to be effective in preventing offenses and in discouraging possible offenders.

Guy Mellor, student vice-president, presided over the Council which consisted of three members from each class and the student president, Denny White. Mrs. Weirich served as faculty adviser.

# American Field Service

What was once an emergency ambulance corps has now become the international exchange of students at the high school level. This program, the American Field Service, was introduced to Webster in 1959. Its purpose is to gain a better understanding among the peoples of the world.

The program, under the direction of the Student Council, is supported by both the administration and the student body. Each year the Council chooses a country from which the student will be sent. In the past five years Webster has been privileged to have as their guests, Niels Bo Paulsen from Denmark, Eva Volk from Germany, Vatan Barlas from Turkey, Giselle Monge-

Urpi from Costa Rica, and Pierfrancesco Pezze from Italy.

Through the AFS program several Webster students have spent a summer or a school year in a foreign country. In 1960 Mary Rankin went to Finland and Dave Hopmann to Norway. Nancy Self spent the summer of 1961 in France.

Each summer some foreign students who have spent a school year in the United States pass through Webster on their way home and stay at the homes of Webster students. This is still another opportunity for Webster students to meet the people of other countries.

# Pierfrancesco Pezzé

"Piero"

Via Antonio Somma 23  
Udine (Italia)

Pierfrancesco Pezze, a major addition to the student body of Webster, came to Webster from Udine, Italy. He arrived in September and enrolled as a member of the senior class.

In Italy, Piero attended Liceo Scientifico G. Marinelli and studied twelve subjects including Italian, English, science, religion, civics, and mathematics. His schedule at Webster was somewhat lighter and included Eng-

lish, American history, trigonometry, and biology. Piero was also a member of the Student Council.

In his Webster home Piero continued his interest in basketball, track, soccer, and music—especially the clarinet. He was a member of the Varsity Club and the Senior Fortnightly. Expressing an interest in student activities, Piero attended all the school's social functions.

Piero becomes a "Websterite"

"Piero, say that in English."

The Varsity began the season as one of the biggest teams in Webster history, but also as a very inexperienced one.

In their opener the Statesmen ran up against Belleville, one of the toughest teams in the area, and was defeated 33—6. Hillcrest of Springfield was the Big Orange's first victim as the strong southwest Missouri team was downed 12—6 at Memorial Park.

Surburban League competition began for Webster with a tie with Ritenour in a hard fought game and a loss to a large McCluer team. Gaining experience as the season progressed, Webster ran all over U City, 24—6, but then lost a 14—0 game to an experienced River-view team.

Webster finished the year with a flourish, playing three great games against Normandy, Ladue, and Maplewood. After the Vikings were defeated 7—6,

the Statesmen lost a heartbreaker to Ladue in a game which saw the lead change hands three times in the last quarter. Maplewood was an easy 33—14 hurdle for the Statesmen as they tuned up for Turkey Day.

Webster kept the Frisco Bell for the second year in a row by tying Kirkwood 0—0 on Thanksgiving day. In one of the most hard fought games in recent years, 11,500 people saw Kirkwood get close four times only to be beaten back by an aroused defense lead by tackle, Bob Droege, and linebacker, Tom Stuber. On the other hand the Big Orange, sparked by Thornhill's passes to senior end Dave Stewart and short scampers by Losse, Smallwood, and Cloud, got within 30 yards three times, but could not score.

Fine seasons were turned in by senior co-captains, Ron Mautz and Dave Cloud.

The Girls' Athletic Association is a national organization which encourages girls of high school age to participate in sports. Interested girls who have earned one hundred points in intramural sports, interschool sports, and/or officiating are invited to attend.

The traditional "Dad's Night," where the girls prepare dinner for their fathers and hold a square dance in the gymnasium, started the year. At the Mother-Daughter banquet near the end of the year the new officers were introduced and the initiates received their membership pins. Awards for participation in sports were presented at this banquet.

The real highlight of the year was the Campus King Dance presented on February 29.

All interested girls, no matter how much skill they have, may participate in hockey intramurals. Those with some skill and a lot of interest have the opportunity to also attend coaching sessions. From this group the three class teams are chosen and games are played with girls in the respective classes from neighboring schools. The season for the class teams completed, the varsity picks the best members from the three class teams. The teams were coached by the physical education teachers and managers were chosen from the coaching sessions.

## Girls' Buckets

A very enthusiastic girls' varsity basketball team fought its way to a successful season playing such teams as Ladue, Kirkwood, and U City. The team members for the squad were chosen from the individual class teams which were in turn chosen from the intramural groups.

Other basketball activities included several inter-school games involving class teams, many intramural games, and the annual St. Louis County Sports Day which was again held at Webster. Innovations included contests in free-throws and speed shooting.

"... the power of expression ..."

The A Cappella Choir started off the year with a hayride and camp fire party. As well as having a wonderful time, everyone had an opportunity to become better acquainted, and the juniors and new seniors began to feel like true choir members.

The first official program was given for the Avery P.T.A., and throughout the year other Webster schools P.T.A.'s were entertained by the group. As a whole choir and in various special small groups, they sang carols for community organizations to help raise money for the Caroling Association. Besides these extras, the choir spent considerable time planning and rehearsing

for the traditional Vesper Services which climaxed the first semester. Also the members hosted a party for choir alums who also participated in the "fun assembly" the day before the Christmas vacation.

Second semester proved to be tiring but rewarding as the choir worked to perfect the spring program.

The night before graduation the choir met at the home of one of its members to sing the old choir songs together for the last time with alums present to inspire the seniors. During graduation exercises the choir provided the music by presenting two songs.

## A Cappella Choir

# Beginning Choir

The Beginning Choir started the year with its traditional informal get-together. Groups of the choir members presented skits enabling everyone to become better acquainted.

Every other day the choir met in 117 to learn the mechanics of correct singing and of sight reading music. Under the director's guidance the group worked to acquire perfection.

As always, the choir played an important part in the Vesper Services with their presentation of "Vigil" and some of the well known Christmas carols. During the Christmas season they helped raise money for the Caroling Association by organizing groups in the community and promoting this organization.

With the beginning of the second semester, the choir began rehearsing for their part in the spring program presented by the A Cappella Choir.

## The Christmas Story

A Cappella, Beginning, and Boys' Choirs, along with the Angel Chorus, once again sang the story of Christ's birth in Webster's celebrated Christmas Vespers Service. With its beautiful recreation of the shepherd and nativity scenes this service makes the real beginning of Christmas for many Webster citizens.

Besides the cast and choirs, countless other students—the prop people, the ushers, the make-up crew, the stage crew, and the lighting crew—were of invaluable service behind the scenes.

One of Webster's better traditions, Christmas Vespers remains a warm spot in the hearts of all who see and hear it.

# Orchestra

**ROW 3:** Mr. Boyer, Wallace. **ROW 2:** Sample, Libich, Coates, Marsakis, Jones, Betts, Guhman, Esch. **ROW 1:** Stroup, Gordon, Koepppe, Randall, McComb.

The orchestra is composed mainly of string instruments. Frequently members of the symphonic band play with the group to produce a combined orchestra.

The first main activity of the orchestra was the Christmas program. In December they presented a program in the Little Theater. Several students from the junior high schools joined the orchestra for the production.

In the spring the traditional County Festival was held at Washington University. Small groups and individuals from the Webster orchestra competed with orchestras of other high schools in the St. Louis area. Mary Esch's cello solo and Jo Ellen Koepppe's piano solo were two of the group's entries.

**ROW 6:** Schoepfle, Gardiner, Eggert, Lemcke, Hencke, Coffman, Middleton, Johnson, Musterman, Davis, Baeyen, Szabo. **ROW 5:** Cannady, Crane, Doyle, Rouse, Christensen, Stigers, Welhoelter, Wilhelm, DeBord, Bazile, Stocke, Hedrick, Walker, Fiddmont, Slatten. **ROW 4:** Greenstreet, Kinder, Rayburn, Chase, Liang, Jones, Parker, Brooks, Deem, Sears, Sullins, Kloetzer, Gray, Richardson, Wolf, McDonald, Bowman, Murry, George, Robertson, Drake. **ROW**

The symphonic band presented three concerts including their annual Spring Concert. The band continued their fine performances at these well attended performances.

The band received attractive new uniforms this past fall, and they serve a double purpose. The uniforms are used by the symphonic band and may be converted for the marching band's use, by placing colorful orange material upon the lapels. These unique uniforms were purchased through the sale of chocolate candy by the band. These sales were held in October and November and the sales supported all band activities.

The symphonic band was very fortunate to have as a member Joan Welhoelter who has achieved national recognition for her baton twirling.

## Dance Band

# Modern Dance Group

President, Betty Bickel; Vice president, Ninette Knudsen; Secretary, Lynn Banks; Treasurer, Gayle Muth; Modern Dance is an art form that uses movement as a medium of expression. The purpose of Modern Dance Club is to stimulate interest and participation in Modern Dance activities and to offer to high school students the opportunity for creative dance study, composition, and performance. Any sophomore, junior, or senior may become a member.

The group presented its concert in May. The dances were created and performed by the members of the Dance Club.

Three major dramatic productions of which two were *The Devil's Disciple* by George Bernard Shaw and *Our Town* by Thornton Wilder constituted a busy year for the '64 Players. The club not only acted in the plays, but they were also responsible for the building and painting of sets, costuming, lighting, sound, make-up, and publicity. Another important aspect of the club's activities is the "Readers' Theater" in which the readers must interpret the plays. There can be some movement, but the main objective is to act with the voice. Steven Vincent Benet's "A Child Is Born" and a cutting from Thurber's *Carnival* were the two such programs presented by the Players. The group's competitive activities included district and state drama meets. Their entries were in the fields of poetry, prose, and dramatic reading.

# Thespians

President, Dave Birenbaum; Vice president, Ninette Knudsen; Recording Secretary, Mary Brummel; Corresponding secretary, Marilyn Lueders; Treasurer, Gary Poe; Thespians is a national honorary society for

high school students who have demonstrated unusual ability and interest in dramatics. To become a member one must first join the Dramatics Club, and then earn one hundred points—hours—by working on any part of a dramatics production. One third of the hours must be earned by doing something other than acting, such as directing, costuming, or make-up.

The Thespians hold initiations twice a year. In spring they have a formal banquet in which the new officers for the following year are installed.

ROW 3: Donovan, Birenbaum, Birenbaum, Gruner.

## The Devil's Disciple

The setting for Bernard Shaw's "The Devil's Disciple" is colonial New England during the Revolutionary War. After the death of his father, Richard, the devil's disciple, takes over the house. In the town lives a Christian preacher, Mr. Anderson, and his lovely wife. The British troops attack and thinking that Mr. Anderson is Richard take the preacher prisoner. Just as the British are starting to hand Richard, the preacher overtakes the town and saves the devil's

disciple.

### Our Town

Thornton Wilder's three-act play, *Our Town*, illustrates the fact that living people occupied with their petty occupations and small thoughts know little of true joy or happiness. In the first act the author outlines the history of the town, which is Grover's Corners, New Hampshire, and introduces the Gibbs and Webb families. The second act concerns the love affair between young George Gibbs and Emily Webb and culminates in a moving wedding scene. The third act takes place in the cemetery in which many townspeople are patiently awaiting greater understanding. Into their midst is led Emily, a little wistful to back to life, but

she is shown how futile it is to return. The past cannot be re-lived.

Wandering past Room 201 during the 6th hour one is likely to spot a group of industrious staff members, coke in hand, laboring with such **ECHO** activities as writing, editing, advertising, selling, planning parties, and managing—managing, that is, to mix business with a healthy sprinkling of good fun.

Among the year's many money-making projects were selling candy, cokes, Webster stickers, Turkey Day buttons, and school supplies. However, the biggest project was the Echo Queen Coronation, a huge success

as always.

**ECHO** parties were thrown for most any occasion deemed worthwhile—and most any occasion **was** deemed worthwhile! The group's two main social functions were the annual Christmas party and the Spring Banquet.

Much serious time and work was put into the copy of the 1964 **ECHO** you now hold in your hands. It is a concise history of your 1963-64 school year that the staff invites you to enjoy at your leisure.

# The Webster Echo

In the journalistic atmosphere of typewriters, pica rulers, and blue pencils, staff members put together nine issues of The Webster Echo. They spent long hours editing copy, planning make-ups, and writing headlines, and devoted one Saturday a month to "pasting up" the final proof at the printer's. Two special six page editions were published—one at Thanksgiving and one at Christmas.

The journalists enjoyed other activities throughout the year. They and the journalism class won the sweepstakes prize at the Missouri Interscholastic Press Association conference held at the University of Missouri in early autumn. The staff also staged the Paper Doll Prom, hosted a breakfast for new journalism students, and gave a supper for newspaper alumni. At the traditional spring banquet the graduating staff announced the new positions.

When not writing articles these eager J-Cubbers absorbed the fundamentals of good news writing and newspaper production. Eager to help the regular staff, they assisted with the Alumni Tea and the Paper Doll Prom. Later in the year, further

steeped in literary knowledge, the journalism class helped win the sweepstakes prize at the MIPA Press Conference in Columbia.

Graduating to staff status at the annual banquet in April, the group assumed their new positions and published the May issue of the Webster Echo.

# Conventus Latinus

The Webster Groves Chapter of the Junior Classical League, or Conventus Latinus, and sponsored by Miss Hazel Farmer, is one of Webster's largest and most active organizations. There are nine interesting and informative meetings each year. The year begins with the installation of new members, then guest speakers come, a debate by the Cicero class is held, and there are skits by the Cicero and Vergil classes. There is also the annual Christmas party. The climax of the year's activities is the spring banquet at which the members enjoy entertaining skits.

Over the years the Conventus Latinus has raised money by cookie sales and contributions to give the Farmington Orphanage an annual Christmas gift. The gift for 1963 was thirty six bed spreads for the orphanage.

April 4 was the date for the Missouri State J.C.L. Convention held at Missouri University. This year for the first time contests were held on the subjects of Roman life and history, Roman mythology, and Latin derivatives. There were also the usual skits and reports. Every year the Conventus Latinus provides enjoyment and education for its members through well planned activities.

## Creed.

"We, the members of the Junior Classical League, covenant to hand on the torch of classical civilization in the modern world. We believe an acquaintance with the civilizations of Greece and Rome will help us understand and appraise this world of today, which is indebted to the ancient civilization in its government and laws, literature, language, and arts."

The Latinus Rumor, the Latin Club newspaper, began in 1927, and since then has continually grown through the years. Now it has a circulation of about four hundred copies per month. The Latinus Rumor is sent to Latin students of the three junior high schools as well as Webster's Latin students. It is sent to alumni and interested friends, and is exchanged with twenty other Latin newspapers all over the country, even as far as Fairbanks, Alaska.

Some of the favorite and traditional articles are letters from alums, advice from Cartha Marr, a latin crossword puzzle, the column Olympus Off Guard, and jokes.

This year's staff is made up of thirty-two Latin students and club members. Tate Pursell and Sue Erbe are the editors of another successful year of Latinus Rumor publications.

# Lettermen

## Club

The Lettermen's Club, organized this year, has been very instrumental in promoting sportsmanship and school spirit at athletic events. In conjunction with school spirit the club made a very worthwhile addition to Roberts' Gym when it hung an American flag in the gym. The flag was presented to the club by Representative Tom Curtis.

The Lettermen planned several social events such as a hay-ride and a banquet. Traditions were started as this club instituted lettermen's pins and sweat shirts as well as a plaque bearing the names of all varsity letterholders of the year.

# Youth for Christ

The theme for the Youth For Christ club, a non-denominational organization, is "Teens reaching teens in a Decade of Destiny." The purpose of the club is to reach teen-agers with the Gospel of Jesus Christ and to help Christian teens live the Christian life.

To achieve these goals the club met every Wednesday morning at 7:30 and presented a program of singing, skits, Bible devotions, and speakers. The county area of Y.F.C. held rallies on Saturday nights and a Christmas convention in Chicago. Other activities included planning meetings, bake sales, and parties.

Through the Y.F.C. club guidance, inspiration and fellowship have been the keynotes of a great year.

The Future Nurses began their year with a new sponsor, Mrs. Lake. Many open houses were held throughout metropolitan St. Louis. The open house at Deaconess Hospital was attended by the prospective nurses.

One of the senior members of the group, Janet Maurer, spoke at the workshop for the future nurses of

Plymouth junior high. Talks concerning physical therapy, mental health, and the social welfare program were given by visiting speakers.

Officers and the most outstanding members of the group received pins in recognition of their work.

## Skating Club

Since the reorganization of the Skating Club last year, the membership has grown to a fantastic one hundred and ten. In an attempt to increase membership, several parties were held during the year.

Members of the club earned points for such things as organizing parties, transporting skating members, and for attending the parties and skating sessions. At the end of the year the individual's points were tabulated, and prizes were given to the four persons with the most points.

Skating sessions were held usually at Steinburg or Winter Garden rinks. When the ice was thick enough on the public ponds, the club went there.

Money for the parties and prizes was obtained from cookie sales, the initiation fee of thirty-five cents, and the sale of the orange and black skating club arm patches.

# Riding Club

Twice each month twenty-five energetic students met to discuss horsemanship, plan rides and other various events.

The group spent most of their riding time at Missouri Stables and Valley Mount Ranch. The usual procedure was to ride for one hour and then receive forty minutes of instruction about care, saddling, and various riding techniques. After that they would talk over their ride and complain about the usual ailments contracted on the trail!

The club planned a day's picnicking at Echo Valley Ranch for one Saturday in early spring. Webster pennants were sold in order to raise money for this project. At Echo Valley a full schedule of eating, swimming, eating, riding, eating, and just plain "horsing" around took place.

# Office Assistants

The efficient communications system at Webster High could not be possible without the office assistants.

Anyone who has better than a C average and a daily study hall which he is willing to give up, and who is trustworthy can serve under the leadership of Mrs. Bopp. The duties of the assistants include delivering messages, announcements, request slips, and collecting hourly attendance slips which the office may send out.

The help of the assistants proves not only valuable to the school but also to the assistants who gain valuable experience which might prepare them for positions in the business world.

# Student Librarians

In searching for knowledge through the many books, pamphlets, magazines, and other such reading material, Webster students have often received help from the library assistants. These student librarians spent many of their free periods and time before and after school hours in shelving books, preparing new copies, collecting fines, and learning the many library skills.

Meetings were held as the need arose in order for members to become better acquainted and to discuss the problems of the library.

As tradition holds, the assistants held their annual Christmas party as a reward for their hard work.

El club de español es uno de los clubs mas importantes de la escuela. Tuvieron una fiesta de Navidad que era magnifica. Se publicaron un periodico durante el segundo semestre. En las reuniones regulares los miembros juegan al Loteria y otros juegos. Es importante que los miembros del club hablen español muy bien.

# Light Crew

ROW 3: Mr. Shrader, Waldron, Mr. Hoffman. ROW 2: Birenbaum, Birenbaum, Withers. ROW 1: Koelen, Schmid, Magner.

The boys who comprised the Light Crew devoted much of their school time to provide necessary lighting effects for school assemblies. They spent many hours after school in setting up and rehearsing for school shows. They also operate lighting equipment for dances, plays, and community functions such as "Kiwanis Kapers", symphony concerts, Vespers, and

the spring program.

Light Crew members have installed the public address system in the cafeteria, and in Roberts' Gym. The 'phone system in the auditorium and the intercom system in the Little Theatre are also products of their work.

# AVO

## Audio Visual Operators

The Audio Visual Operators serve the school with their many invaluable services. The A.V.O. is not a club, but functions rather as a school service organization. Members have donated their study halls and many hours after school to show films and to operate sound equipment for assemblies and musicals.

In addition they operate the public address systems for football and basketball games. They gain valuable experience in repairing any equipment which is not in perfect working order.

# Math Club

The Webster chapter of Mu Alpha Theta, the national mathematics organization, was formed four years ago. The purpose of the organization is to provide an opportunity outside of class for students to pursue interesting topics in mathematics. The club is composed entirely of senior students who have maintained a B overall average and a B average in mathematics.

The programs for the Monday night meetings consist

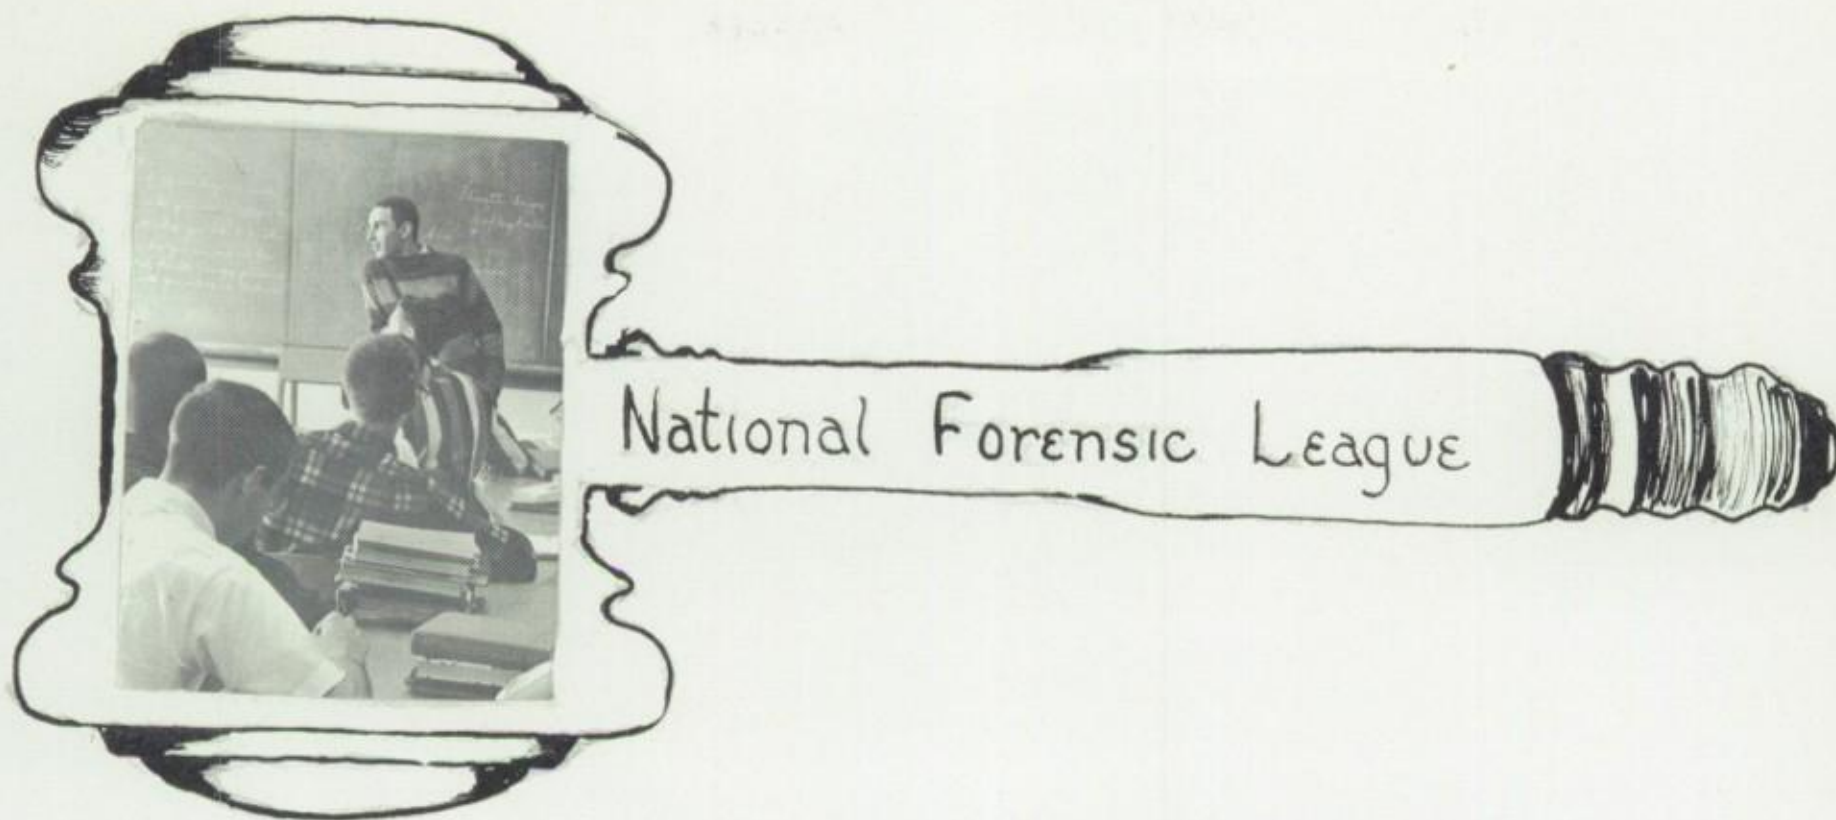

of lectures by a variety of qualified speakers from the St. Louis area as well as members of the club. Some of the topics presented were Boolean Algebra, Propositional Logic, and Modular Arithmetic.

On Tuesday and Thursday afternoons the club sponsors a tutoring service for interested students. The money earned through this service is spent to extend the collection of books in the club's library.

The National Forensic League is an organization which is concerned with instruction in debate, interpretive reading, original and non-original oratory, and extemporaneous speaking. This group met every other sixth hour in a formal debate class.

For the second year in a row, the Webster chapter hosted the District Speech and Drama meet for the eastern half of Missouri. Among their other activities the club attended a general meeting of all the NFL

chapters in St. Louis County.

The national debate topic for 1963-1964 for all the clubs in the country has been "Medical Care." Other things that were discussed throughout the year were "Lord of the Flies" for one P.T.A. meeting and "Return of the Square" for the Junior Town Meeting.

Competitive meets were held periodically during the year at the various high schools in the area.

ROW 3: Allen, Curtis, Sprott, Smith, Stockham. ROW 2: Snider, Stromberg, Mellor, Bubb, Valenti. ROW 1: White, Stocke, Manning, Schweitzer, Strickland, Whitener.

# Future Teachers

To start the year the Future Teachers of America had a get-acquainted tea for girls who were thinking of joining the organization. During National Education Week the future teachers placed posters throughout the hallways. During the year teachers gave talks on the various facets of teaching. Members at one time during the year visited a school for the handicapped.

In the spring a Teacher Recruitment Dinner was given. At this meeting new phases of teaching were demonstrated. Members also had an opportunity to observe the classroom work of a teacher of her choice.

The American Junior Red Cross held their meetings once every three to four weeks. Eileen Meehan was the president of the club. She was assisted by Diane Munroe, vice president, and Kathy Passanise, secretary-treasurer.

There are about fifty five members in the club as each homeroom selects one person to represent that homeroom at the club's regular meetings.

Twice during the year the club asked the students for donations, and several cookie sales were held in order to supplement funds. The club held these projects in order to raise one hundred and fifty dollars to build a wooden gift chest that would be sent overseas. This chest was filled with educational and recreational supplies, first aid materials and many types of health supplies.

During the year several scrapbooks were made. In them were cartoons and clippings from magazines and newspapers. The scrapbooks were sent to various hospitals in the St. Louis area for the enjoyment of the patients.

The purpose of **Potpourri**, the school literary magazine, is to give student writers the opportunity to display their creative work. They may contribute poetry, short stories, essays, exceptional photography, paintings, sketches, or other art. The staff chooses the best material from the contributions and publishes it.

The first issue of Potpourri was issued in January and the second in May. At the beginning of the year students were able to buy subscriptions from their English teachers.

The quill and scroll of ancient writers has come to symbolize excellence in writing and thus has become the name of the international honorary journalistic society. In order for a student to be a member of Quill and Scroll, he must have done superior work on **The Echo** or **The Webster Echo** in the fields of writing, editing, or business management. A candidate, who must have maintained a grade average which places him in the upper third of his class, is

first recommended by the faculty sponsor of one of the publications. If he is then approved by a national officer of Quill and Scroll, he becomes a member.

Candidates for membership receive invitations in the spring of the year. The initiation ceremony, held a few weeks later, is a formal one, and parents of the candidates are invited to attend.

The Hixson Award was established by the Student Council of 1954-1955 in honor of Mr. James T. Hixson, Principal of Webster Groves High School for thirty six years. The purpose of the award, which is active for twenty years, is to recognize a senior girl and a senior boy for outstanding ability in each of the following four areas: scholarship, leadership, service, and sportsmanship. The winners are announced at an assembly in May. Each winner receives an engraved certificate, and his name is inscribed on a trophy which is the permanent property of the high school.

The scholarship award is given to the highest ranking girl and boy in the graduating class.

For the leadership and service awards five girls and five boys are nominated for each award by the senior class. Faculty committees choose the winners from these lists.

From the list of major lettermen and the list of girls who have earned at least one thousand points in athletics the senior class nominates five boys and five girls for the sportsmanship award. Faculty committees choose the winners from the list of nominations.

# **PETROLEUM** *...and YOU?*

**in the dynamic world of science**

Today many opportunities are reaching out to invite you into the dynamic world of science—a world abundant in the results of creative thinking, planning and building—a future rich in its challenges, rewarding in its answers.

The petroleum industry is a vital part of this fascinating world of tomorrow . . . and it offers you many types of careers, one of which may be best suited to your talents and personality. For example, there's the stimulation of petroleum research . . . the adventure of world-wide exploration . . . or the satisfaction of in-the-field production.

Perhaps a secure and rewarding future awaits you in this world of petroleum. Why not discuss your interests with your Advisor in the near future.
